Natural Gas for Transportation Roundtable

Thursday, November 9, 2017 9 a.m. – 12 p.m.

CMD Corp.

2901 E. Pershing St., Appleton, WI

---

Join Wisconsin Clean Cities at the Natural Gas for Transportation Roundtable! Hear from industry experts on the latest trends, technologies and funding opportunities for implementing compressed, liquefied and renewable natural gas in a variety of transportation sectors.

A variety of natural gas vehicles will be on display alongside representatives from the natural gas vehicle and technology industries with information on applications for diverse transportation needs.

Lunch will be provided by our host and sponsor CMD, with tours of their facility to follow.

Registration is required.
